

United States District Court
Northern District of Oklahoma **FILED**

JUL 29 2010

United States of
America

Phil Lombardi, Clerk
U.S. DISTRICT COURT

v.

09-CR-043

Lindsey Kent Springer

Reply to Opposition to
Motion For Writ of Error
Coram Nobis

Lindsey Kent Springer ("Springer") Files
reply to USA's opposition to Springer's
Motion For Writ of Error Coram Nobis.

The USA claims this court lacks
jurisdiction to consider Springer's Motion
because Springer is on direct appeal. It
also claims Springer is in prison thus
the writ of Error cannot be used. Both
claims are directly answered by those
cases listed in Springer's Two Memorandums.
The question is whether Springer's 6th
Amendment right has been violated. The
USA asked this Court to deny the Motion.

☒ Mail ☐ No Cert Svc ☐ No Orig Sign
☐ C/J ☐ C/MJ ☐ C/Ret'd ☐ No Env
☐ No Cpys ☒ No Env/Cpys ☐ O/J ☐ O/MJ

but never denied the 6th Amendment has been violated.

Lastly, the USA claims Springers hand-written memorandums exceed the 25 page limit by 27 pages. Springer asked for leave out of caution but asserted all 52 pages would not exceed 25 typed paper. Springer had no access to any typing tools.

None of the claims in opposition should never be used to circumvent the Sixth Amendment Right to Counsel.

Springer request the Court grant Springers appointment of Counsel to defend Springers Motion.

Therefore, Springer request the Court grant each of his motions,

Respectfully Submitted

Andy Springer
